INTERNSHIP :

Name of the internship 1: **Community Internship**

Topic :UPI - Payment -Awareness -in -Rural Area

Duration: 2 Weeks

During my internship, I was involved in a community awareness project focusing on **UPI payments in rural areas**. The main objective was to educate people about the benefits of digital payments, demonstrate how to use UPI apps safely, and enable financial literacy at the grassroots level. I conducted workshops, interactive sessions, and one-on-one guidance to help villagers set up their accounts and perform transactions with confidence. This experience not only enhanced my communication skills but also deepened my understanding of financial technologies and their potential to make financial services more accessible and convenient for everyone.

Name of the internship 2 :**Service Now**

Duration :1 Month

During my internship, I had the opportunity to work with **ServiceNow**, a leading platform for enterprise service management. I gained hands-on experience in configuring and customizing modules to help streamline business processes and improve operational efficiency. My responsibilities included building service catalog items, designing workflows, and automating routines that enable faster incident resolution and enhanced service delivery. This experience not only deepened my technical skills but also improved my ability to collaborate with stakeholders, solve problems, and contribute to a team's overall productivity.
